

NEW CONSTRUCTION VINYL WINDOWS

PRECISION-ENGINEERED FOR SUPERB STYLE, EXCEPTIONAL PERFORMANCE

For every new construction design and budget, Gentek 1700 Series and 1900 Series windows offer the total project solution while ensuring exceptional results.

- PREMIUM VINYL CONSTRUCTION**
Fully fusion-welded frame and sash corners ensure superior strength, weathertight protection and clean, tight corners for an attractive appearance.
- BLOCK AND TACKLE BALANCE SYSTEM**
Heavy-duty design is built tough to endure the challenging conditions of new construction; ensures smooth sash operation.
- REINFORCED MEETING RAIL**
Increases structural integrity, durability and strength.
- CAM-STYLE LOCK AND ADJUSTABLE KEEPER**
Provides a strong locking mechanism for added strength, energy efficiency¹ and comfort.
- INTERIOR GLAZED FIXED LITES**
Allows convenient access from inside the building should the glass need to be replaced or serviced.
- SLOPED SILL**
Helps prevent water accumulation and creates a contemporary look.

- SINGLE FRAME CONSTRUCTION**
Combines several window units to reduce potential water entry points. Available in twin and triple single-hung and double-hung as well as three-lite sliding units.
- CONVENIENT EGRESS SIZES**
Choose from 3050 single-hung, 3052 double-hung and 4040 single-sliding window styles.
- GLASS PACKAGE OPTIONS**
A variety of insulated glass package options can meet the energy efficiency requirements of any region.
- DRYWALL PASS-THROUGH MODEL**
Creates a convenient entry point for bringing in sheets of drywall at higher floors.
- PRIMED WOOD JAMB EXTENSIONS**
Provide support for four exterior wall construction depths and reduce interior trim work. Choose from 4-9/16", 6-9/16", 7-1/16" and 7-9/16" options.
- 3-1/2" FLAT CASING OPTION**
Available for the 1900 Series only, this casing features an architecturally correct bullnose for a picture frame exterior appearance.
- INSULATED GLASS UNIT**
Dual panes of glass with hermetically sealed insulating air space between the panes promote energy efficiency.
