COLOR INNOVATIONS FOR
TODAY'S BEAUTIFUL WINDOWS

 GENTEK[®]

FRESH STYLE. PERFECT FINISH.

Our Portfolio® Color Collection offers an exciting new take on window design. The elegant architectural colors and woodgrain finishes will give your home a perfectly pulled-together look – that truly stands apart.

MAKE IT PERSONAL

When you think of windows as an element of style, you'll see why our Portfolio Color Collection captures your attention. At once, it offers both a refreshing infusion of creativity and custom-crafted appeal, while ever mindful of today's carefree lifestyle.

This visually exciting palette lets you choose luxurious colors and finishes that previously were possible only with traditional painted or stained wood windows. Deep, rich exterior frame colors such as Black and English Red as well as warm interior woodgrains will showcase your personal style while enhancing your windows with a beautiful, easy-care finish.

Blending modern practicality with custom-crafted charm, the Portfolio Window and patio door Color Collection offers a generous palette of refreshing style for today's homes. The luxurious colors and warm woodgrains will beautifully reflect your personal taste while adding a dramatic touch of elegance – inside and out.

Our American Terra window color further enhances the stately style and sophistication of this beautiful home.

CAPTIVATING COLOR

The power of color is undeniable when it comes to achieving just the right look. Whether you prefer subtle, monochromatic exterior designs or a dramatic style with contrasting accents, the Portfolio Color Collection will impart exceptional quality and refinement to your home.

PERFORMANCE AND PERFECTION

The Portfolio Color Collection has changed the role windows and patio doors play in your home. Not only must they function smoothly, insulate against energy loss and provide protection from harsh weather, they now inspire a higher level of architectural design. This full array of visually exciting color combinations effortlessly blends artistic detail with state-of-the-art technology to give your home a distinctly upscale appearance – one that's an expression of your unique vision.

REMARKABLY DURABLE AND STRONG

SUPERIOR
Polyurethane Coating
TECHNOLOGY

While creativity carries the day with the Portfolio Color Collection, you'll be equally impressed with its performance power. Our interior woodgrain laminate finishes are precision-engineered for outstanding durability that maintains its attractive appearance over the life of the product.

Ultra-premium exterior colors are achieved with a cutting-edge polyurethane coating technology incorporating heat-reflective pigments to ensure a remarkably strong, fade-resistant and highly weatherable finish that's easy to clean. Together, this innovative design collection delivers the perfect fusion of style and strength.

- Rich colors and natural appeal
- Matte texture complements a variety of aesthetics
- UV-resistant formula helps prevent fading for outstanding color retention
- Heat-reflective pigments and adhesion-promoting additives minimize heat gain on dark colors
- Stands up strong to extreme heat and cold
- Highly weatherable, durable and robust
- Excellent resistance to dirt, chemicals and environmental pollutants
- Resists damage from salt air in seaside climates

CAREFREE MAINTENANCE

When you consider the time and expense of painting and maintaining wood windows and patio doors year after year, you'll see why the Portfolio Color Collection is a smart choice. Built with a resilient color formulation, they require only minimal upkeep. Just wipe with a damp cloth or use simple household cleaners to remove most dust and dirt and restore the like-new beauty.

ENVIRONMENTALLY FRIENDLY

Now more than ever, homeowners are choosing green products to help protect our planet. The Portfolio Color Collection features exterior painted finishes that are water-based and environmentally friendly, meeting current and future EPA standards regarding Volatile Organic Compounds (VOCs) and Hazardous Air Pollutants (HAPs). As a sustainable material with a long lifespan, vinyl windows and doors also help conserve wood and other natural resources often used in home construction.
